Professional Experience

Garfield Elementary School, Maywood, IL (Contract Position)

January 2021 to May 2021

Registered Nurse

- Provided nursing care and COVID guidance for students/staff

Resurrection Medical Center--Chicago, IL

October 2018 to December 2020

Registered Nurse

- Thrived as a member of a fantastic health care team where I took care of a vast variety of medical surgical patients, including those with ventilators, chest tubes, IV medication drips, peritoneal dialysis, post-surgical drains, and many other medical devices/conditions. I volunteered to take my hospital's first Covid-19 case here as my admission in January 2020.

Christ Medical Center, Oak Lawn, IL

Registered Nurse

March 2018 to September 2018

- Grew as a professional nurse on an adult physical rehabilitation unit
- Interacted and communicated with patients and families, making them feel comfortable by providing excellent customer service
- Heavily utilized an interdisciplinary approach to patient care to make sure all patient needs were accommodated
- Facilitated a therapeutic care environment to promote healing

Our Lady of Angels Retirement Facility, Joliet, IL

Certified Nurse Assistant

January 2017 to March 2018

- Operated as a team with two nurses and 10-15 patients during a shift; carried out nurse delegations
- Provided care for facility residents
